ARE YOU A LOCAL BUSINESS OWNER / COMMUNITY GROUP INTERESTED IN ACQUIRING COMMERCIAL SPACE?

We are currently studying local demands for commercial space within the development. There is policy provision for a new small shop, for commercial space, either offices or small workshop/industrial units, and possibly a café as well in the 'mixed-use hub' area of the plan. We want local businesses to benefit from these opportunities. We would be delighted to hear from any local business owners or community groups that may be interested in leasing space within Soham Eastern Gateway. Leave your details here and we'll get in touch.
